EXPERIENCE

Product Design & Development
Vesta Central, Auckland (2019)

UI/UX Designer
System Negar Sabz, Iran (2010- 2015)

Founder & Tutor
iphotoshop.ir, (2012- 2018)

EDUCATION

Graduate Diploma in IT level7
Aspire2 International, Auckland (2018-2019)

Specialized in coding with languages for both front-end and back-end development such as PHP, Java, JS and more with more focus on front-end skills. My industrial project was a recruitment platform called GradForce for Vesta Central company in Auckland, New Zealand.

Bachelor of Industrial Design
Islamic Azad University, Iran (2011-2015)

Learned how people think and behave and leveraged research to design user-centered products and experiences which solved both user and business problems.
Major GPA: 17.22/20 (A)

Associate's degree in Computer Software
Sadjad University, Iran (2006-2009)

Gained extensive knowledge of hardware and software design and computer programming to make computing platforms and applications more efficient and effective.

LANGUAGES

Persian

English

ACCOMPLISHMENTS
